Valid from 01 January 2010 to 31 December 2010

2010 Camping Adventure Tours

- All tours have a minimum number of 4 clients, the maximum is 24.
- The official minimum age on our tours is 16, but we will accept children 12 and older on request, and only if accompanied by parent/guardian. We also accept travellers over 65 as long as they provide us with a letter from their GP stating they are fit enough for adventure travel in Africa.
- All clients on Camping tours need to bring their own Sleeping Bag & Towel, we provide a covered foam mattress.
- Not all campsites have full bathroom facilities. Please see the tour dossier for full details of what amenities are available on each day.
- Some nights on Camping tours are spent in hostels in dormitory style accommodation. If you require a single room, it must be booked in advance. Dormitory rooms normally sleep 4-6 people per room.
- Before you go on tour be sure to read the copy of the tour dossier for your tour and the pre-departure information. These documents are updated regularly and contain information that is vital to the enjoyment of your tour. The list of included and optional activities is included in your tour dossier.
- If you require any accommodation before or after your tour we can assist.

LP = Local Payment. This is an amount that needs to be paid in cash, in the currency specified, to your guide on the morning of departure.

C = Compulsory Single Supplement. Some of our tours are costed using Twin Room accommodation. If you are travelling alone then the single supplement is a compulsory charge. We also offer an optional single supplement on the camping tours, this covers the upgrade from Dormitory to Single accommodation on the nights we spend in hostels.
